

THE TALK

AT PAINTED ROCK

BEST OF BC WINE COUNTRY AWARDS

This year the BC Wine Institute held their first ever "Best of BC Wine Country Awards". Tourists, consumers and customers from near and far vote for their top picks from the wineries of British Columbia through an on-line survey that ensures authentic recommendations from the public.

We are so honoured to have been voted "Best Tasting Room" and "Best Red Wine" for our 2014 Red Icon. Both awards were for the Okanagan region. Thank you to everyone who voted!

Event transportation services are provided by Top Cat Tours and start from \$20 per person round trip depending on where you are staying. To reserve transportation for this dinner, please contact Myles directly at info@topcattours.com.

***2014 Cabernet Franc** A flagship Cab Franc from an excellent vintage. Generous red and blackberry aromas with smoky notes before a plush but focused palate, which balances a generous mouthfeel of mulberry and cassis with mocha and spice hints. Good structure with firm but well-managed tannins from moderate but not overt oak and a plush, lingering, persistent finish. // Score 94 // Tasted by Tim Pawsey

JILL ANNOUNCES HER RETIREMENT

Most of you have had the chance to meet or chat with Jill over the years. Jill has been John's right hand since the beginning. It is with a little sadness for ourselves, and lots of excitement for her, that we announce that she will be retiring in November.

"I adore Jill and owe her an enormous debt of gratitude for the invaluable role she played in helping me build Painted Rock" - John Skinner

She wrote a letter about the occasion which you can read [here](#).
