Primeurs 2024 Château Côte de Baleau

94-95/100

BECKUSTATOR

Nes Beck

“Bien tenu par des tannins compacts et élégants, le vin convainc par sa rondeur, une touche charnue et sa persistance aromatique.

Un vin harmonieux, enthousiaste et salivant.”

89-91/100

Jeff Leve

THE WINE CELLAR INSIDER

“Black raspberries, flowers, and cherries create the main character here. Light/medium-bodied, vibrant, and energetic, the palate is quite tense, with lift, to the red fruits in the chalky finish.”

92-93/100

ALEXANDRE MAILLARD

“Château Côte de Baleau has delivered a wine of truly satisfying quality. In a year where overall concentration tends to be on the lighter side, this wine opens with a texture that is refined and slightly viscous, which is something rarely seen in 2024.”

Antonio Galloni

“The 2024 Côte de Baleau is soft and plummy, with good forward fruit and solid balance, all in the understated style of the year. In 2024, most of the blend is from parcels planted on clay and limestone.”
