

2020

A wine with excellent aging potential.

Enjoyable now, it can continue to develop for twenty to thirty years.

Decant for one hour before tasting.

LES FORTS DE LATOUR

Les Forts de Latour takes its name from a historic parcel of the estate. The care and attention devoted to this wine by our team is identical to that lavished on the Grand Vin, reflecting an unwavering pursuit of quality since its creation in 1966.

Its historic vineyards, Petit-Batailley and Saint-Anne, lie at the heart of Pauillac Classified Growths. They are today complemented by the area surrounding the Enclos and by young plantings from this exceptional terroir overlooking the Gironde estuary. To this ensemble is added a highly prized 7-hectare plot situated on gravel terraces in the commune of Artigues.

The characteristics of this vineyard require careful management of new oak during aging - around 60% - to preserve finesse and elegance while softening the tannins.

2020 VINTAGE

The 2020 vintage, shaped by nearly 53 consecutive dry days between June and July, framed by notable rainfall in spring and again in August, produced wines of exceptional quality. Harmoniously balanced between power and freshness, it stands among the decade's finest vintages.

HARVEST

Merlot : 9 to 15 September
Cabernet Sauvignon : 17 to 28 September

BLEND

69.7% Cabernet Sauvignon,
26.7% Merlot, 3.7% Petit Verdot
