

2019

A wine for long ageing.
To be enjoyed now or
treasured for 20 to 30
years... perhaps even for
eternity.

Decant for two hours
before tasting.

CHATEAU LATOUR

The Grand Vin of Château Latour is produced exclusively from the finest old vines of the estate's historic vineyard, known as *l'Enclos*, which stretches across 47 hectares.

At the very edge of the Gironde estuary, upon this noble gravelly rise, Cabernet Sauvignon finds its fullest expression

2019 VINTAGE

Favoured by a cool and damp spring, the vines developed harmoniously, benefiting from a generous and even flowering. The summer, warm and dry yet never extreme, brought moderate hydric stress and guided the grapes towards perfect ripeness, which yielded beautifully expressive aromatics

In September, cool temperatures and the vineyard's excellent health enhanced the depth of this expression. As the harvest approached, a welcome spell of rain brought perfect balance and ensured ideal polyphenol extractability.

From these generous conditions emerged a wine of equal generosity: full-bodied, precise and savoury, supported by an elegant structure. Its remarkable balance makes it approachable in its youth while also promising great ageing potential. A deep and refined wine.

HARVEST

Merlot : 13 to 23 September

Cabernet Sauvignon : 21 September to
5 October

BLEND

92.5% Cabernet Sauvignon,
7.5% Merlot
