

NICOLÁS CATENA ZAPATA 2022

With its inaugural 1997 vintage, Nicolás Catena Zapata became the first luxury cuvée from Argentina to be exported around the world. The wine recreates the “Original Bordeaux Blend” of the 18th and 19th Centuries, when Malbec dominated over Merlot and was in equal standing to Cabernet Sauvignon in the Médoc. **Prephyllloxeric** Malbec and Cabernet Sauvignon massale selections of **ungrafted** vines give rise to this wine, opening a window to the past from the mountain vineyards of Mendoza, Argentina.

THE CATENA ZAPATA FAMILY

Four generations of the Catena family have farmed the vineyards of Mendoza, ever since Italian founder Nicola Catena planted his first Malbec vines in 1902. **Robert Parker’s 2005 book about the 100 “Greatest World Wine Estates”** featured only one winery from South America: Catena Zapata. Parker wrote: “Argentina’s greatest visionary is Nicolás Catena Zapata, and his crusade for high-altitude vineyards and conservative viticultural practices has resulted in one after another breakthrough wines that have pushed Argentina to the forefront of the modern winemaking revolution.” Joined by his daughter Dr. Laura Catena in 1995, the father-daughter team’s vision is to elevate Argentine wine for another 200 years. In 2018 Catena Zapata joined La Place with two wines: Nicolás Catena Zapata, the winery’s top Cabernet Sauvignon blend, and Adrianna Vineyard Mundus Bacillus Terrae, the winery’s top Malbec cru.

NICOLÁS CATENA ZAPATA CRUS

Adrianna cru
Cabernet Sauvignon and Malbec
Gualtallary, Uco Valley
Calcareous soil with gravels
17 Hectares
Planted in 1992
Altitude: 1450 meters a.s.l

Nicasia cru
Malbec and Cabernet Franc
Paraje Altamira, Uco Valley
Large gravel mixed with sand and loam
15 Hectares
Planted in 1996
Altitude: 1095 meters a.s.l

CLIMATE CONDITIONS

2022 was an exceptional year at Catena Zapata from every possible qualitative standpoint. Alejandro Vigil, Catena Zapata’s Head Winemaker says: “This is the best year that I have lived through”. Yet, it was a roller coaster sort of year with unpredictable weather patterns that required deep knowledge of every region and vineyard. Thanks to the abundant glacier water, we were able to maintain a healthy canopy and yields were not reduced beyond the effects of frost. The autumn, with cooler temperatures than usual, allowed the grapes to ripen slowly and fully, contributing to the exceptional concentration and balance of this vintage.

WINEMAKING

The harvest is done by hand and the fermentation takes place in small oak barrels, concrete and stainless-steel tanks, at temperatures of 26-28°C for about 15 days. The total maceration lasts between 18 and 22 days. The wine carries out the malolactic fermentation and is then aged in French oak barrels for 18 months. At the end of our winter Dr. Nicolás Catena Zapata oversees the final blend before bottling.

ASSEMBLAGE

46% Cabernet Sauvignon - 43% Malbec - 11% Cabernet Franc

Alcohol: 13.5%. 4800 cases produced.

Wine Director: Alejandro Vigil. Winemaker: Fernando Buscema
